

JOIN THE TEXAS NUMISMATIC ASSOCIATION

Founded as a non-profit organization in 1960, the Texas Numismatic Association is the largest numismatic club in the state of Texas. The TNA invites to membership any adult, child, coin club, school, or kindred organization who has an interest in the collecting and study of coins, paper money, tokens, medals, and related numismatic items.

TNA News Magazine

Each Adult, Junior, Life, and Chapter member receives the TNA's quarterly magazine *TNA News*. This publication will keep you informed about the association, connected to local club news and events, and provide educational articles to enhance your numismatic knowledge as you grow your collection. Members are encouraged to contribute articles and news to the magazine to connect with others in the state. Businesses, clubs, and individuals may purchase advertisement space for a nominal sum.

Outreach and Education

Annual dues support the educational outreach efforts of the TNA. State-wide youth programs, such as *Coins for A's*, encourage the next generation of collectors by rewarding academic achievement with curated numismatic items. The TNA regularly issues grants to clubs and individuals to create or enhance educational events in their region.

Membership

To be a member is to have fraternal affiliation with fellow numismatists in your state. TNA membership offers prestige on the state level, just as ANA offers prestige on the national level. Submit the information below (with your applicable dues) to the TNA Secretary. Life or Adult members are at least 18 years of age. Associate members are adult members of the immediate family of established adult members. Junior members are under 18 years of age. Chapter members are organizations or clubs. Applicants for membership may be proposed by a TNA member who is named as a voucher. Names of applicants are published quarterly in the *TNA News*. If no objections are received within 20 days of publication, the applicant is admitted to membership.

Annual Convention

The TNA members meet at an annual convention at the end of May in Arlington, Texas. Members are entitled to a voice at the convention during the business sessions. Time for the renewal of friendships and a perusal of educational exhibits are vital components. The opportunity to buy, sell, and trade is provided through bourse activity.
