**Editor's version of what happed to Bellaire coin club this month.**

**August 3, 2009.**

There were 30 members and guest at the meeting. Garth Clarke welcomed the shows visitors. One family was names Wofford, no relation to Michael Wolford, editor. Most of the business meeting was the discussion of your Bellaire coin show on August 1-2. The club discussed the following items. Garth Clarke noted the Attendance. Michael Wolford added the totals based on door prize card signers. The totals are Saturday: 390, Sunday: 40. Brian Holland stated certain advertisements had the show was listed as one day show. Tom Cooper announced it tom Bermal's first show as chairman. Past shows, tom Bermel was an assistant helping Ed Stephens. Garth Clarke asked to create a dealer survey. Ken Benson while securing the back door already started surveying the dealers, as they left. Brian Holland discussed more shows now, but the recession has caused cancelling shows. Garth Clarke, before the show, noted that a member found a way to move the new remodeling movable walls. This moving added space for two dealer tables. Brian Holland made known, that the show used to be free, but now has an admission. Bruce Burton stated that buying a book first, is cheaper then buying the numismatic item. Ron Miller announced that this was one show best for buying and selling. Tom Cooper noted the snack bar profit. A member suggested the show get hot dogs for the next show. Garth Clarke exclaimed that selected advertisements, had October show was listed is error as "Bellaire" show but it is an "Ed Stephens" show. Garth Clarke announced that this is the Bellaire last show for "collector's coin." Jeff Todd, the retiring storeowner, when had time to attend the meeting, would be the auctioneer. Michael Doyle, attending all meetings and offering auction lot. During the past year Bellaire presented Jeff Todd with a thank you plaque. Michael Wolford noted the store was located at Bissonnet at South Rice. There has no confirmed date for the store closing. The program for tonight was show and tell. The following members presented a short program, John Barber, Ken Benson, Bruce Burton, Sebastian Frommhold, Brian Holland, and Rupert Soliz. Rupert Soliz won the show and tell prize.

**August 17, 2009.**

There were 31 members and guest at the meeting. Paul Krail noticed that there is a Federal Reserve Bank in Dallas. The club recently took the tour of the Houston's Federal Reserve Bank on Allen Parkway at Taft, downtown. Ed Stephens stated, a long time dealer at your Bellaire show. Tom Bermel gave a show expense report. Details about the report are available. The meeting was about general club suggestions. Some of the discussions were about the following. What is the club going to do with the profits? Sending a member to Colorado Springs, possible increase budget to \$1500. Donate to the library, no amount stated. Park & recreation wants a charge for early Friday. "City of Bellaire's" website has the price guide for the civic center use. Locked prices for each show, or look for other show locations. The club has checked around, but the Civic Center currently has the best rate. It is noted that the show decorator, Freeman, delivered the show items early. When is the best time to set dated for future parties? The last Christmas party; the Bevill's had extra party items. The past parties were a small room with large crowd. Purchase items, example security equipment; most areas that we use already have cameras. Tom Bermel's first show as chairperson, not Ed's assistant. Charge higher price for tables. Tom Bermel presented thank you cards for the past shows. Garth Clarke presented a mini program, Economics Contraction and Key Dates. Gene McPherson members presented a show and tell. There were no winners of the show and tell. Had tickets just not used.

**Republic of Texas book, Coming Soon.**  
**PRE-ORDER NOW FOR SPECIAL PRICE & AUTOGRAPHED COPY!**

The Paper Republic is the first book to tell the important story of the epic struggle for money, credit and independence in the Republic of Texas. As JAMES P BEVILL reveals the history of each piece of paper, he explores the personalities involved, clarifies the roles in the new government, and reveals the inner workings of a precarious financial system. He combines a detailed numismatic history of each piece of coin and currency used in the Republic with the stories of the colorful individuals and the creative credit schemes that made it possible for Texas to first survive and later flourish. For Texas, numismatics and everyone in the financial industry, it offers an essential understanding about the role money plays in government and history. The real story behind a legendary part of American history, The Paper Republic is the story of a debt crisis eerily similar to the headlines today.
